#### **DESCRIPTION**

Precise, refined, elegant, and just 1" wide, Mikro presents a crisp, brand new scale in linear LED luminaires, made practical by an integral driver - Mikrodrive™. Using a high performance LEDs and a flat, high efficiency lambertian optic, Mikro delivers an efficacy of 95 LPW. In addition to individual luminaires, continuous runs and patterns with fully lighted corners, Mikro is also available in recessed, surface, and pendant configurations (see separate specification sheets).

# WALL DIRECT/INDIRECT

#### **OPTICS**

**HIGH EFFICIENCY LAMBERTIAN OPTIC (HLO)** - matte white side reflectors combined with High-efficiency Lambertian Optic (HLO) shielding of diffusing 0.075" thick acrylic and good source obscuration. Luminaire brightness is controlled by the flux-to-shielding area ratio.

#### LIGHT SOURCE - LED

Custom linear array of mid-flux LEDs are cartridge-mounted with quick-connect wiring to facilitate service and thermal management. Available in 2700K, 3000K, 3500K and 4000K with a minimum 80 CRI and an option for 90 CRI with elevated R9 value. Color consistency maintained to within 3 SDCM. LEDs operated at reduced drive current to optimize efficacy and lumen maintenance.

All LEDs have been tested in accordance with IESNA LM-80-08 and the results have shown L80 lumen maintenance greater than 60,000 hours. Absolute product photometry is measured and presented in accordance with IESNA LM-79, unless otherwise indicated.

#### PERFORMANCE PER 4' AT 4000K

#### **Medium Indirect Output (1400 Lumens)**

| high output   | 4000K         | 51.5  | 2800             | 2000               | 4800                                 | 93              |

#### **LUMINAIRE LENGTH**

Mikro is made up of standard 4, 8 and 12 foot sections that may be joined together to create longer continuous run lengths. Exact run length must be noted in the product code. The minimum individual section available is 4 foot. All individual sections are joined together onsite using the joiner kits provided. Lumenwerx offers joiner kits that are extremely simple to work with in the field and result in a fixture that appears virtually seamless with no light leak at any connection.

joining system for Mikro direct indirect

#### **MOUNTING OPTIONS**

Fixtures may be horizontally mounted directly to the wall or using a bracket. For long runs, a minimum of 6" from adjacent walls is required.

#### **ELECTRICAL - INTEGRATED DRIVER**

Fully integrated, ultra-slim, Mikrodrive™ driver eliminates the need for the remote drivers typical of very small cross-section luminaires. Factory-adjustable drive current and universal (120-277VAC) input. Long life: over 100,000 hours Mean Time Between Failures (MTBF). At maximum driver load: Efficiency>84%, PF>0.9, THD<20%. Due to space limitations, other driver, control and wiring options are not currently available.

#### **FINISH**

**Interior** - 95%, reflective matte powder coated white paint

**Exterior** - matte white or aluminum powder coating. Custom finishes are also available.

#### CONSTRUCTION

**Housing** - Extruded aluminum (0.060" nominal) up to 90% Recycled content

**Interior brackets** - Die formed cold rolled sheet steel 20 gauge thick

**Joining system** - Die Formed galvanized sheet 20 gauge

**Reflectors** - Flat rolled Steel sheet 0.030" thick precisely die formed, 95% reflective matte white painted

End caps - Die cast aluminum

#### **WEIGHT**

**Mikro 4ft** - 3.64 lbs - 1.65 KG **Mikro 8ft** - 6.36 lbs - 2.88 KG **Mikro 12ft** - 9.08 lbs - 4.12KG

#### **CERTIFICATIONS**

**ETL** - Rated for Indoor Dry/Damp locations. Conforms to UL Standard 1598 and certified to CAN/CSA Standard C22.2 No. 250.0.

#### WARRANTY

Lumenwerx provides a five-year limited warranty of electrical and mechanical performance of the luminaires, including the LED boards, drivers, and auxiliary electronics. Lumenwerx will repair or replace defective luminaires or components at our discretion, provided they have been installed and operated in accordance with our specifications. Other limitations apply, please refer to the full warranty on our website.
