DESCRIPTION

RIM TRIANGLE

Rim Multiple Triangle pendants are the result of bringing two or three Rim Triangle fixtures (2', 3', and 4' standard sides only) together arranged on different planes and sharing one canopy. Rim Triangle is equipped with LED arrays illuminating inward from its triangular housing. Rim Multiple Triangle fixtures serve as decorative, modern focal points of interior spaces that in some cases may also require general lighting and perhaps a wall wash and/or perimeter effects, as well. It is also available with Chromawerx Sola, Duo, and Quadro (consult factory).

RIM HEXAGON

Rim Multiple Hexagon pendants are the result of bringing two Rim Hexagon fixtures together arranged on different planes and sharing one canopy. Rim Hexagon is equipped with LED arrays illuminating inward from its hexagonal housing. Rim Multiple Hexagon fixtures serve as decorative, modern focal points of interior spaces that in some cases may also require general lighting and perhaps a wall wash and/or perimeter effects, as well. It is also available with Chromawerx Sola, Duo, and Quadro (consult factory).

Up to 90 lm/W performance

Technical Specifications

OPTIC

Uniform Lambertian Optic (ULO) - Thermoformed from impact-modified white PMMA, the ULO provides even luminosity, with up to 88% transmission. Combined with the LED array running around the inside of the housing, the open form and ULO create a widespread 50% direct and 50% indirect light distribution with spacing criteria of 1.6.

LIGHT SOURCE

Custom array of mid-flux LEDs are mounted directly to the housing for optimal thermal performance. Available in 2700K, 3000K, 3500K and 4000K with 90 CRI and elevated R9 value. Color consistency is maintained to 3 SDCM. LEDs are operated at a reduced drive current to optimize efficacy and lumen maintenance.

All LEDs have been tested in accordance with IESNA LM-80-08 and results have shown L80 lumen maintenance are greater than 60,000 hours. Absolute product photometry is measured and presented in accordance with IESNA LM-79, unless otherwise indicated.

ELECTRICAL

Factory-set, adjustable output current LED driver with universal (120-277VAC) input. Dimmable from 100% to 1% with 0-10V dimming control. Rated life (90% survivorship) of 50,000 hours at 50°C max. ambient (and 70°C max. case) temperature. At maximum driver load: Efficiency>84%, PF>0.9, THD<20%. Other specifiable options include Lutron Hi-Lume 1% (specify 2-wire, or Ecosystem Dim-to-Off), eldoLED 1% ECOdrive 0-10V, eldoLED 0.1% SOLOdrive 0-10V, and DALI protocol drivers. All of our standard 0-10V drivers are NEMA 410 compliant.

PoE

Depending on the PoE manufacturer selected, Lumenwerx will install the node in factory as either integral to the luminaire or as a remote module. Factory programming of the PoE node may or may not enable the following functionalities: lumen package, Duo (tunable white), Quadro (RGBW) emergency battery backup, and sensor integration. These must be addressed and evaluated on a case-by-case basis.

FINISH

Interior - 95% reflective, matte white powder coating

Exterior - Matte white, matte black or aluminum powder coating. Custom finishes are also available.

CONSTRUCTION

Housing - Rolled and seamlessly welded aluminum extrusion, wide variety of colored powder coating

Diffuser - Uniform Lambertian optic, co-extruded flexible polycarbonate satine finished lens

WEIGHT

TRIANGLE		HEXAGON	
2' side	4.8lbs - 2.1kg	2' side-to-side	9.6lbs - 4.3kg
3' side	7.2lbs - 3.2kg	3' side-to-side	14.4lbs - 6.5kg
4' side	9.6lbs - 4.3kg	4' side-to-side	19.2lbs - 8.7kg

CERTIFICATION

ETL - Rated for Indoor Dry/Damp locations. Conforms to UL Standard 1598 and certified to CAN/CSA Standard C22.2 No. 250.0.

WARRANTY

Lumenwerx provides a five-year limited warranty of electrical and mechanical performance of the luminaires, including the LED boards, drivers, and auxiliary electronics. Lumenwerx will repair or replace defective luminaires or components at our discretion, provided they have been installed and operated in accordance with our specifications. Other limitations apply, please refer to the full warranty on our website.
