LUMENWERX

Ubik Troffer

Ubik's 2x2 Troffer bring style, sophistication, and a new dimension to the Ubik linear series, not to mention two color options for center channel louvers.

- Size: 2x2
- Low glare
- Two louver color options
- Easy maintenance from below the ceiling

Ubik Troffer 2x2

Ubik Troffer

Performance

Ubik Troffer creates visual comfort with its low-glare dual optical chamber performance. The center channel features the parabolic louvers that deliver a soft conical distribution. The side lenses provide indirect, reflected, soft diffused distribution using Tri-flect technology. The fixture offers 60/40 and 40/60 light distribution options and meets the WELL Building Standard™ guidelines for UGR values.

Meet the family

Linear

Play with lines, patterns, and corners.

Define, punctuate, enrich your spaces with Ubik. Install pendant and wall fixtures as individual luminaires or in continuous runs and patterns. Balance lit and unlit areas to create contrast and drama with a chiaroscuro effect. Enabled by our High-Efficiency Lambertian Optic (HLO), Ubik can transform dim corners into bright design features.

Combination

Variety is the spice of light.

Mix and match optics to add interest and functional diversity to spaces. Parabolic louvers are available in three matte colors—black, silver, and white—HLO, and blanks. Create patterns or combinations, the possibilities are unlimited with Ubik.

Parabolic louvers - HLO - Wall wash - Blanks

Cube

(linear downlight and pendant)

Compact, flexible, and powerful.

Cubes acts as linear downlights or pendant option offered with three, six, and nine cells. They are available with parabolic louvers, HLO, and wall wash optics. Performance ranges up to 2400 lumens delivered.
