the ceiling. Refer to dimensions supplied in client

drawings.

SURFACE MOUNT - INSTALLATION INSTRUCTIONS

Fasten fixture to threaded stud (H) using washer (I) and nuts (J). (If there's no threaded stud present, the fixture can be screwed directly onto the ceiling).

Reinstall the cartridge (C) and reconnect the LED molex connector (B). **NOTE: connect black wire into the negative (-) terminal and the white wire into (+) positive terminal.** Make sure that the wires are not hiding any LED diode. Screw the cartridge back in place by **using screw with plastic washer. Do not apply too much pressure.**

Disconnect LED molex connector (B) by taking a pointed object and pressing on the two tabs on the top.
